After 7 exciting years with SKIOLD I have found that the time has come to try something else, and as from 1st October 1983 I shall take up a new job as sales manager for a company in Aalborg, in the energy-saving field.

Our export department in Sæby shall otherwise continue with the same experienced staff under the supervision of Mr. P. E. Dam Hansen, who till now has been in charge of Scandinavia, Germany and Austria.

I would like to take this opportunity to thank you for a pleasant personal cooperation during the past years, and hope this confidence shall be transferred to my successor.

Though no longer with SKIOLD I hope that we can maintain contact, and living near Aalborg we would certainly appreciate to see you when in Denmark. Our new address is:

Torsvej 1
Gudumholm
DK-9280 Storvorde
Tel.: 08-316500.

We are presently re-fitting our house, which is an old farm, and expect to stay in Sæby for another month until completed.

Yours faithfully,

SÆBY JERNSTØBERI & MASKINFABRIK A/S

Søren Padkjær
Export Manager
